

## Page 1: The Messy Water

This pond is too messy!

Yep, let's find a cleaner spot.

Plop!

"There," Toby whispered happily, stretching his little neck. "That is my good start for today."

Zzz...

Swim, scoop, carry, drop. He just kept his mind on his very next step. The water around his lily pad was quietly beginning to look clear and bright again.

### TOBY'S POND WISDOM

"You don't need giant hands to care for our home. When we each do a tiny bit to protect our world, even the smallest choices make a beautiful difference!"

Big changes don't require giant heroes—they just start with one small, caring step. ❤️
